Simplicity Rechargeable Motorized Cellular Shades are programmed at the factory with the "up and down" limits. These shades are UNLINKED from the remote so they are not able to operate during shipping. Each shade should be installed before linking it to the remote.

Shipping Charges - Comfortex will ship all orders for fabricated shades freight free via UPS, FedEx Ground or other similar method within the continental United States. Shades with widths of 98" or more do not meet the size and weight requirements of UPS or FedEx Ground are required to ship by motor freight. A Common Carrier surcharge will be added for all orders shipped within the continental United States which required to ship by motor freight. A per unit transportation surcharge will be added to all orders. See freight policy at www.comfortexdealers.com for more details and for freight policy for Hawaii and Alaska.
