*Headrails over 100" will be spliced in half to meet total ordered width. **Indicate total number of panels desired if over standard amount as noted in price grids. The standard number of panels is determined by the total width of the shade and to keep the maximum width of a panel less than 48". Maximum number of panels for a side stack is 5, maximum number of panels for split stack is 8. *** Note custom cord or wand lengths in Special Instructions. Wand control is only available on side stack systems. **** Custom overlaps are available at 1½", 2½" and 3". Standard overlap is 2". Indicate number of spacer blocks or extension brackets in special instructions.

Special Instructions

Shipping Charges - Comfortex will ship all orders for fabricated shades freight free via UPS, FedEx Ground or other similar method within the continental United States. Shades with widths of 98" or more do not meet the size and weight requirements of UPS or FedEx Ground are required to ship by motor freight. A Common Carrier surcharge will be added for all orders shipped within the continental United States which required to ship by motor freight. A per unit transportation surcharge will be added to all orders. See freight policy at www.comfortexdealers.com for more details and for freight policy for Hawaii and Alaska.
